

To Add the NKT.tv App to Your Roku

1. Go to <http://my.roku.com/>
2. Sign in using your Roku account login information on the left. If you do not have a Roku account, you will have to create one.
3. Once logged in, click on “Add a Channel” under “Manage Account.”

Manage Account

[Add a Channel >](#)

Enter an invitation code to add a private or beta channel to your account.

[View Your Purchase History >](#)

See past purchases and invoices.

[Manage Your Subscriptions >](#)

View and manage your Roku-billed subscriptions.

[Deactivate Account >](#)

Close your Roku account and unlink your devices.

[View & Activate Free Trial Offers >](#)

View and activate exciting offers from Roku Partners

4. Type in “nktelco” as the Channel Access Code and click “Add Channel.”

Add Channel

Enter a channel access code to add a public channel, a private channel or a beta channel to your Roku account.

nktelco

Add Channel

Cancel

5. The NKT.tv app will be added to your Roku. It may take up to 24 hours to appear.

Add Channel

Channel Added

Channel NKT Television has been added to your channel lineup.

Channels typically will show up within 24 hours. To access your new channel now, you can refresh your channels on your home screen by visiting Settings > System update or Settings > Player info and checking for an update. Channels that have hardware requirements or minimum firmware requirements will not be displayed on Roku players that do not meet those requirements.
